

DOMAINE
SPIROPOULOS

Porfyros

Domaine Nemea

Careful blending of the **Cabernet sauvignon** grape with **Cabernet franc** and **Merlot** has yielded this PORFYRO. Using grapes which come from organic vineyards restricted in size and output, we create this mature and sophisticated wine, which ages in new French oak barrels. With deep purple color and the complex aromas of spices, smoke and wood, and with its rich, velvety texture, PORFYROS is a wine suitable for aging, but it can be enjoyed right now as well.

χαρακτηριστικά κρασιού
wine characteristics

Alcohol content (%vol)	13% vol
Residual sugar (gr/lt)	1.62 gr/lt
Acidity (gr/lt tartaric acid)	5.62 gr/lt τρυγικού οξέος
Ph	3.65
Volatile acidity (gr/lt acetic acid)	0.51 gr/lt οξικού Οξέος
Total SO2 (mgr/lt)	100 mgr/lt
Free SO2 (mgr/lt)	25 mgr/lt
